

— SECURE YOUR SPACE

SecureSlide

Equipped with a spring close and self-latching lock, this system closes and locks behind the user for ultimate security.

- Protects Private Spaces
- Promotes Ease of Use
- Withstands Heavy Commercial Use

Control Access & Secure Private Areas

Designed to easily secure spaces, the SecureSlide features a spring close and self-latching lock to automatically close and lock behind the user. Tested to one million cycles, our spring close is built to last. Equipped with a concealed floor guide, the SecureSlide operates like a dream.

(Access control accessories by others)
