

Serenity
Sliding Door Systems

— IDEAL FOR EXAM ROOMS

MedSlide

Sealed for sight and sound with an optional sloped valance, this surface-mount system is ideal for exam rooms, patients, and staff.

- ✓ Saves Space
- ✓ Ensures Patient Privacy
- ✓ Secures with Locking Hardware

Perfect for Patients More Efficient for Staff

The MedSlide provides both privacy for patients and ease of use for staff. With a wider access point and no swing door to maneuver around, pathways are left free and clear for busy staff members. Through a concealed floor guide and no threshold, rolling carts and equipment enter with a breeze. This system is an excellent solution for a variety of healthcare applications.
