

Serenity
Sliding Door Systems

NEW Sliding Door Systems AVAILABLE FOR HEALTHCARE

Serenity's first system was designed with healthcare in mind. Through its ability to save space and adapt to project demands, it quickly became a well-loved choice for many medical settings. As more facilities seek to utilize sliding doors, Serenity continues to innovate with NEW systems ideal for healthcare.

MedSlide

Soft-closing and sound-sealed, the MedSlide provides ease of use for staff and privacy for patients. It is ideal for a variety of applications.

- ✓ Save Space
- ✓ Ensure Patient Privacy
- ✓ Secure with Locking

MedSlide Pro

The MedSlide Pro has all the features of the MedSlide with an additional **STC 35 rating**. It is ideal for projects with acoustic needs.

- ✓ Meet Sound Specs
- ✓ Provide Privacy
- ✓ Increase Ease of Use

MedLift Slide

Featuring an opening in the track to accommodate a **patient lift**, the MedLift Slide is ideal for healthcare spaces with accessibility needs.

- ✓ Increase Accessibility
- ✓ Reduce Injuries
- ✓ ADA Compliant

PowerSlide

Equipped with an electric operator, the PowerSlide offers **automatic entry** through the use of any standard access control hardware.

- ✓ Improve Facility Safety
- ✓ Increase Ease of Use
- ✓ Save Space
