Sliding Door Systems

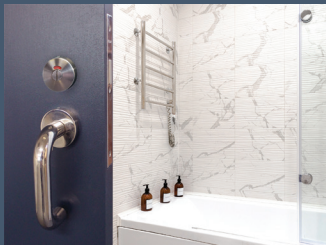

## Sliding Door Systems FOR HOSPITALITY

Serenity provides several high-quality, attractive, and easy-to-use commercial solutions for hospitality spaces.

### Benefits of Sliding Doors

- ✓ **Maximum Space Savings**  
Unlike swing doors, sliding doors mount flush to the wall to optimize your space and make the most of your square footage.
- ✓ **Improved User Experience**  
Soft-closing and sound sealed, Serenity's systems provide comfort, privacy, and ease of use for guests and staff.
- ✓ **Streamlined Process**  
Arriving complete with all parts included, these system's accelerate build speed and reduce construction headaches.

**Guest Rooms**

### Available Customizations

Serenity system's can be tailored to your project needs and are ideal for a wide range of applications. With many options available for door slab, finish, hardware, and glazing, you can easily achieve your desired look. In addition to aesthetics, Serenity has a vast hardware selection to meet the needs of different room types across your facility.
